January 22, 2014

Dear Challenge and Brier Terrace Middle School (BTMS) Highly Capable Community,

## Your donations make a powerful difference in the classroom!

Thanks to all of your generous giving and matched corporate dollars we've been able to respond to our teachers' requests for unique and stimulating classroom materials and support our teachers' further learning!

Here's how your contributions have benefitted our students and teachers so far this year:

Thank you for looking into corporate matching this year! In one case, a company tripled the amount that the family donated! If you think your company might match your donation, please let us know. This can make a very significant impact on what we can do for our teachers and classrooms!

Thank you for supporting the Challenge Parents Association!
